Special Thanks to Sunbelt Agricultural Exposition and Colquitt County Extension!

2016 Southeast Hay Convention
University of Georgia Cooperative Extension
March 8-9, 2016 | Moultrie, GA

AGENDA

Tuesday, March 8th, 2016:

- 8:00 Sign-in and Get Notebooks/ Materials
- 8:40 Welcome and Introductions
Dr. Dennis Hancock, Extension Forage Agronomist

GENERAL UPDATE SESSION

- 8:45 Fertilization Outlook for Hay Producers
Dr. Dennis Hancock, Extension Forage Agronomist
- 9:15 Climate Outlook and Implications for the Hay Market
Dr. Pam Knox, Extension Climatologist
- 9:45 Weed Management Recommendations for 2016
Dr. Patrick McCullough, Extension Weed Scientist
- 10:30 Break (Visit Display Area) – Sponsored by:

IN-DEPTH: WEED COMPETITION

- 11:00 Weed Biology and Competition with Forage Crops
Dr. Tim Grey, Professor and Research Weed Scientist
- 11:40 Competition from Annual Grassy Weeds
Dr. Patrick McCullough, Extension Weed Scientist
- 12:00 Lunch Break (Visit Display Area)

IN-DEPTH: HERBICIDE TECHNOLOGY AND RESISTANCE

- 1:00 The Uptake, Mode of Action, and Fate of Herbicides Used in Hayfields
Dr. Tim Grey, Professor and Research Weed Scientist
- 1:40 Herbicide Resistance: A Growing Issue for Hay Producers
Dr. Patrick McCullough, Extension Weed Scientist
- 2:30 Break (Visit Display Area) – Sponsored by:

IN-DEPTH: WEED BIOLOGY AND MANAGEMENT (DEMONSTRATION)

- 2:50 Field and Potted Plant Demonstrations
Dr. Patrick McCullough, Extension Weed Scientist
Dr. Tim Grey, Professor and Research Weed Scientist

IN-DEPTH: PESTICIDE APPLICATION (DEMONSTRATION)

- 4:00 Calibrating and Cleaning Pesticide Application Equipment
Dr. Glen Rains, Professor, Entomology
Jeremy Kichler, Colquitt Co. Extension Coordinator
- 4:30 Selecting Appropriate Nozzles
Brian Mathis, Southeast Regional Sales Manager at TeeJet Technologies
- 5:00 Dismiss

Wednesday, March 9th, 2016:

- 8:00 Coffee and Doughnuts and Visit Display Area

ALFALFA IN THE SOUTH

- 8:30 Growing Alfalfa in the South*
Dr. Dennis Hancock, Extension Forage Agronomist
- 9:30 Alfalfa Management and Trait Selection
Dr. Ali Missaoui, Assoc. Professor, Forage Breeding
- 10:00 Forage Quality Improvements When Using Alfalfa*
Dr. Jennifer Tucker, Asst. Professor, Ruminant Nutrition
- 10:30 Break (Visit Display Area) – Sponsored by:

INSECT MANAGEMENT UPDATE

- 11:00 Insect Management Update*
Dr. Will Hudson, Extension Entomologist
- 11:30 Bermudagrass Stem Maggot Research Update*
Dr. Bill Anderson, USDA-ARS Tifton
- 12:00 Lunch Break (Visit Display Area)
